**You, too,
can have "A skin you
love to touch"**

A BEAUTIFUL skin, soft, smooth, faultlessly clear—any girl can have this charm.

For your skin is constantly changing—each day old skin dies and new takes its place. Give this new skin the right treatment, and see how soft and lovely you can keep it.

For a sensitive skin use this special treatment:

DIP a soft washcloth in warm water and hold it to your face. Now make a warm water lather of Woodbury's Facial Soap and dip your cloth up and down in it until the cloth is "fluffy" with the soft white lather. Rub this lathered cloth gently over your skin until the pores are thoroughly cleansed. Rinse first with warm, then with clear, cool water and dry carefully.

GET a cake of Woodbury's today, and begin this treatment tonight. A 25-cent cake lasts a month or six weeks. The Andrew Jergens Co., Cincinnati, New York and Perth, Ontario.

The Bond that builds the health that smiles—

"BETTY, eat your bread!" you used to say. And she would pout, and only nibble, complaining that she didn't like bread.

Then one day, you won an unexpected victory. Someone told you about Bond Bread—how it got its name from a Bond printed on the wrapper—how that Bond guaranteed Bond Bread to be as pure as your home-made.

So you bought a loaf, and to your sur-

prise, your daughter ate the two pieces you gave her and asked for another. Peace now reigns at your table. Betty "loves" Bond Bread. Her healthy smile proves it.

She will always "love" it. That Bond of ours on every wrapper is our guarantee that she will like Bond Bread as much next year and ten years from now, as she does today. That Bond obligates us to keep faith with that most particular connoisseur, your daughter.
